Sacred space we prepare
The energy is gathered, the circle claims
We now do the Goddess's bidding again.

I call upon the East Element of air
Help us keep our part of the dare
We ask that you join our sacred rite
On this the Snow Moon night

SOUTH

I call upon the South Element of fire

Help us take our path ever higher
We ask that you join our sacred rite
On this the Snow Moon night

WEST

I call upon the West Element of water flow
Help us make our bonds grow
We ask that you join our sacred rite
On this the Snow Moon night

NORTH

I call upon the North Element of earth
Help us with our ancient rebirth
We ask that you join our sacred rite
On this the Snow Moon night

GODDESS

I call upon the Gods and Goddesses by many names
All different but all the same
You children need to bond and prepare
To keep our promise of love and care
We ask your presence here tonight
Help us with all your loving might

SPIRIT

Spirit that who may be clan or kin
We ask your presence again
To work our magic spells we cast
To take our rightful place at last
Our nature is to make it be
As we will it so mote it be

ACT OF POWER

Re-bonding with God and Goddess. Place all objects on the altar.
Focus all energies into them and chant:

By the power of the moon's light
We call upon the God and Goddesses might
To strengthen communication and love
We send our energy above
To keep the path we walk and pray
You will help us find our way.

BLESSING OF CAKES AND ALE

I charge this wine fruit of the vine
And these cakes that we make
By saying our thanks and blessed be
Harm ye none as I will it so mote it be

For taking time to visit us within
Our sacred circle and rite
On this full moon night.
Hail and farewell

CIRCLE

Power cast and then forgotten
Is power wasted, gone rotten
By my power this circle becomes no more
Everything returns to the same but the lore

As above, so below
As the universe, so the soul
As within, so without

The circle be open
But never broken

Merry meet, merry part, and merry meet again
