Your children need to bond and prepare  
To keep our promise of love and care  
We ask your presence here tonight  
Help us with all your loving might “

[Blessing of Cakes and Ale]

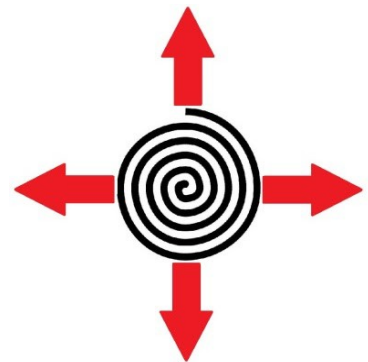

“I charge this wine fruit of the vine, and these cakes that we make, by saying our thanks and  
blessed be, Harm ye none and as I will it, so mote it be “

[Pray for Peace]

“The last year has been filled with stress and strife. Let us pray for  
Peace.”

*\*Together\**

“I pray for Peace  
I pray for Love  
I pray for Stability  
I pray that Love may overcome Fear  
and I send energy of Love and Peace  
For all people of the World  
I create it, I accept it, and I receive it  
By my will so mote it be”

[Consider The Year]

“The full moon is the moment between the Waxing and the Waning moon.”

“This is the years last full moon and as it wanes so to does the year. As we leave this circle  
tonight I would like each of you to ponder this last year. It has been difficult for us all, but in it  
we have seen both the waxing and waning moon. Think about what good has come into your  
life and what ill has left your life. I would also like you to think about all those we have lost  
this year and remember them.”

“Mother Goddess I pray for those who have lost friends and loved ones this year. Please bless  
them and comfort them in these difficult time and welcome those we have lost into the  
summerlands with open arms where they shall know no pain, or suffering. So mote it be.”

[Dismiss The Goddess / God]

I call upon the Gods and Goddesses this hour  
To help us with this work of power  
As always we thank and wish you well  
We bid you hail and farewell

[Dismiss The Quarters]

Help us keep positive energy in our homes  
We ask you keep us in your thoughtful well  
We bid you hail and farewell”

“I call upon the West and dolphins  
Help us communicate within  
We ask you keep us in your thoughtful well  
We bid you hail and farewell”

“I call upon the South and dragons red  
Help us follow the path you led  
We ask you keep us in your thoughtful well  
We bid you hail and farewell”

“I call upon the East and air  
Help us keep the ancient way  
We ask you keep us in your thoughtful well  
We bid you hail and farewell”

Power cast and then forgotten  
Is power wasted, gone rotten  
By my power this circle becomes no more  
Everything returns to the same but the lore

As above, so below  
As the universe, so the soul  
As within, so without

The circle be open  
But never broken

Merry meet, merry part, and merry meet again  
And may you Blessed Be!
